Los Baby Jaguars

Dynamic international combo formed by 7 musicians from countries such as Venezuela, Peru, Argentina, Spain, and the UK, based in Berlin. They deliver a colorful experience influenced by Latin sounds, psychedelia, cumbia, afrobeat, and Latin Funk. In 2023, they released their debut 4-song EP, including a 7" vinyl launched by Nu-Tone Recordings (USA).

Despite being newly formed, Los Baby Jaguars have quickly become a reference in the groovy, tropical funk scene in Europe. Their live shows are a dynamic fusion of vibrant percussion and electrifying guitars, creating an irresistible energy that keeps the crowd moving. Each performance is a celebration of catchy melodies and captivating lyrics, ensuring an unforgettable, high-energy experience.

The band has shared the stage with renowned groups such as Los Mirlos and Frente Cumbiero. They've performed across Switzerland, Poland, Germany, and the UK, captivating audiences with their unique blend of tropical beats, funk-inspired grooves, and experimental melodies.

Currently, the band is gearing up to release their highly anticipated first LP, featuring 10 original songs, set to drop in 2025..
